A Message from the Chairman of the Better Business Council

As I complete my term as Chairperson of the Manatee Chamber's Better Business Council, I have achieved a far better understanding of the importance and influence of this Council's valuable service.

Knowing that consumer confidence is vital to the success of our local business community, the Council is dedicated to promoting and upholding the highest standards of business ethics.

The business members listed in this Consumer's Guide to Better Business have been reviewed by the Council and have all licensing and insurance requirements in current, proper order. In addition, each owner has formally agreed (in writing) to adhere to the Council's strict Code of Ethics and has pledged to make every effort at working with the Better Business Manager to resolve any conflicts if and when they should arise in the normal course of doing business.

I encourage all area businesses to join our Chamber and also apply for a membership in the Better Business Council. In addition, I urge all of our citizens to consider doing business with the members listed in this Guide whenever possible and to seek out businesses displaying the BBC logo.

My sincere thanks to all the members of the Council's Committee who volunteer their time and service, and, to the Better Business Council Manager, Tina West, for her help and dedication to the Council, the Chamber and to our community.

For additional information, please contact Tina West at 748-1325 or email her at: TinaW@ManateeChamber.com

Respectfully,
John Kieman
Chairman

BETTER BUSINESS COUNCIL ADVISORY COMMITTEE FOR 2009

- Gus Sokos – Demetrios' Pizza House (Chairperson)
- Phill Baker – Boyd Insurance
- Lynn Bruneau – The Bradenton Herald
- Randy Clark – Georgia Carpet World
- Brian Claybaugh – Pet Express Concierge
- Pat Cooney – Pat Cooney's Transmission Service
- Samantha Fairman – M & I Bank

What is the Manatee Chamber of Commerce Better Business Council?

The Better Business Council (BBC) is a committee of the Membership Development and Services Division of the Manatee Chamber of Commerce.

Businesses wishing to become members of the BBC agree to certain terms and conditions including clarification and confirmation of required licensing and proper insurance. In addition, they must agree to respond to formal complaints filed through the Better Business Council and make every effort to resolve conflicts in a reasonable, prompt manner outlined by the BBC.

Understanding that complaints can arise in the normal course of doing business, and that it can be difficult, at times, to resolve the issues, the BBC attempts to act as a mediator so that both parties are, hopefully, satisfied. It has been our experience that, in most cases, they are.

Most area businesses are operated by hard working men and women who care about their customers and are dedicated to building and maintaining good relationships. For this reason, they made the decision to indicate their commitment and applied for membership in the BBC.

Consumers are encouraged to contact the Chamber's Better Business Council for information regarding reliability reports on our members, as well as, scams, charitable solicitations and more. There are no charges to consumers for this public service.

If you own a business and would like more information regarding BBC membership or would like to inquire about a business or need assistance, please call Tina West, Manager, at 748-1325 or email tinaw@manateechamber.com.

If you'd like more information about becoming a member of the Better Business Council, call 748-1325.

Handling a Complaint

Fortunately, most business transactions are handled professionally and without incident. On rare occasions, however, consumers can be disappointed with a company's product or service and feel the need to complain. For businesses located in the Manatee County area, the Chamber's Better Business Council offers the following advice:

First, attempt to resolve the issue directly with the business. Often, they are not aware of your dissatisfaction and are eager to work with you to resolve the issue.

If efforts to reach a mutually satisfactory solution fail, consumers can contact the Chamber's Better Business Council (BBC) to receive a "Consumer Experience Report." The report can also be downloaded from the Chamber's website at www.manateechamber.com. For businesses located outside of our area, please contact the Better Business Bureau of West Florida at 800-525-1447 or www.bbbwestflorida.org.

When the BBC receives a completed Report Form, it will be forwarded to the business involved. Please note that the BBC does not take either side in a dispute but works to facilitate communication between the company and the consumer, hopefully resulting in a satisfactory resolution.

In most cases, this process is successful and all concerned are grateful for the positive result.

In those rare instances where a reasonable solution cannot be obtained, the Better Business Council will advise both parties of their option to contact a professional mediator.

Fighting Back Against Identity Theft

Identity theft is a serious crime. It occurs when your personal information is stolen and used without your knowledge to commit fraud or other crimes. Identity theft can cost you time and money. It can destroy your credit and ruin your good name. It is also the fastest rising "white-collar" crime in the United States.

First Signs of Identity Theft:

- Bills that do not arrive as expected
- Unexpected credit cards or account statements
- Denials of credit for no apparent reason
- Calls or letters about purchases you did not make

It's Your Identity – Keep it safe

- **Shred** financial documents and paperwork with personal information before you discard them. Mail payments or bills from post office collection boxes.
- **What's in YOUR wallet?** Never carry social security card in your wallet, and carry as few credit & debit cards as possible. Keep a photocopy (front & back) of all your Credit Cards, Licenses, Passports, & IDs in a secure place.
- Don't give out **personal information** on the phone, through the mail, or over the Internet unless you are sure whom you are dealing with. Never click on links sent in unsolicited emails.
- Use **passwords** on all your accounts. Avoid picking obvious passwords such as a birth date, mother's maiden name or last four digits of your Social Security number.
- Order a copy of your **credit report** at least once a year. It's FREE, it's SMART, JUST DO IT... Visit <http://www.AnnualCreditReport.com> or call 1-877-322-8228, a service created by the three credit bureaus, to order your free credit reports each year. You can also write: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281.

Defend Against ID Theft As Soon As You Suspect It

- **Place a "Fraud Alert"** on your credit reports, and review the reports carefully. The alert tells creditors to follow certain procedures before they open new accounts in your name or make changes to your existing accounts. The three nationwide consumer reporting companies have toll-free numbers for placing an initial 90-day fraud alert; a call to one company is sufficient:
 - **Equifax:** 1-800-525-6285
 - **Experian:** 1-888-EXPERIAN (397-3742)
 - **TransUnion:** 1-800-680-7289
- **Close** any accounts that have been tampered with or established fraudulently.
- Call the security or fraud departments of each company where an account was opened or changed without your okay. Follow up in writing, with copies of supporting documents.
- Use the ID Theft Affidavit at ftc.gov/idtheft to support your written statement.
- Ask for verification that the disputed account has been closed and the fraudulent debts discharged.
- Keep copies of documents and records of your conversations about the theft.
- File a Police report to help you with creditors who may want proof of the crime.
- Report the theft to the **Federal Trade Commission**. Your report helps law enforcement officials across the country in their investigations.
 - Online: ftc.gov/idtheft
 - By Phone: 1-877-ID-THEFT (438-4338)
 - By Mail: Identity Theft Clearinghouse, Federal Trade Commission, Washington, D.C., 20580

Protect your investment . . . Hire only licensed contractors

While hiring an unlicensed contractor may provide a quick fix in the short term, it could result in many serious and lasting consequences, including further damage to your property.

By hiring a licensed contractor, you will have peace of mind knowing that the project will be done by someone who has taken the time to acquire the appropriate education and the proper workers' compensation and/or liability insurance and who possesses the necessary experience.

It is extremely important to be cautious when contracting for home improvements and repairs. Educate yourself, become an informed consumer, and protect yourself from dishonest persons who will use your misfortune to their advantage.

- Unlicensed contractors often target the uninformed and inexperienced, as well as the elderly.
- They solicit door-to-door, frequently traveling in unmarked trucks and vans.
- They give a post office box address instead of a street address.
- They convince you to obtain the necessary building permits.

Choosing a Contractor

- Before you hire a contractor, ask to see a state-issued license.
- An occupational license does not qualify an individual to act as a contractor.
- Ask for references. A legitimate contractor will be happy to provide you with the names and contact information of recent customers.
- Get a written estimate from several licensed contractors. Make sure the estimate includes the work the contractor will do, the material involved, the completion date, and total cost.
- Beware of contractors who claim to be the fastest or the cheapest. Hiring them could result in poor workmanship, inferior materials or unfinished jobs.
- Contact your insurance agent first to verify if your insurance covers the repairs before you sign a contract. Know the steps to file a claim. You do not have to tell the contractor how much your insurance company will pay for repairs, but if you do, get the contractor's estimate first.
- A contractor must have a license from DBPR to perform roofing repairs or replacements, structural additions, air conditioning repair or replacement, plumbing work, electrical and/or alarm work. These jobs typically require a permit. Be sure to check with your local building department regarding permit requirements for all of your projects.
- DBPR does not license or have jurisdiction over concrete contractors, painters, drywall contractors, cabinetmakers, tile installers, or anyone doing minor repairs. Check with your local building department regarding licensure requirements for these trades.

Signing a Contract be certain your contract includes:

- The contractor's name, street address, telephone number and state license number.
- A precise description of work to be completed, including a draw schedule and list of materials.
- Completion date, including cleanup after the work is finished.
- Warranty agreements, including length, terms and recourse.
- A notice of consumer's rights under the Florida Homeowners' Construction Recovery Fund for contracts involving general, residential and building contractors.
- Read your contract carefully and personally fill in any blank spaces. Consider having an attorney review the contract. If you do not have an attorney, the Florida Bar offers a lawyer referral service.

Some Helpful Tips:

- Avoid paying cash.
- Avoid any contractor who requires full payment in advance. Arrange to pay after the contractor completes the work or in agreed-upon installments.
- Don't sign off that work is completed until all work is finished according to your contract, and the contractor has cleared all permits with final inspection approval from the building department.
- If your contract exceeds \$2500, become familiar with the Florida Construction Lien Law.
- Most jobs require permits. Always check with your local building department regarding permits needed for your project.

To verify a contractor's license, or to file a complaint against a contractor, call 1.850.487.1395 or go to the Department's website: www.MyFloridaLicense.com. Report Unlicensed Activity Toll-Free at: 1.866.532.1440

Manatee Chamber of Commerce tool encourages local shopping by saving you time and money

In an effort to boost the local economy, the Manatee Chamber of Commerce has recently completed programming on a new Request For Proposal (RFP) Tool. Visit www.ManateeChamber.com and click on the RFP Tool.

Do you need a new roof, landscaping, auto repair, plumbing contractor, etc? Don't call around, wasting valuable time. With a few clicks of the mouse, you can receive bids from local businesses, and select the best price with the best service. Complete the form and select the business categories that match your request. All Manatee Chamber Members in those categories will automatically receive your request and the opportunity to contact you to provide a quote.

The tool is available to all consumers, however the opportunity to receive requests will only be given to members of the Manatee Chamber of Commerce.

Not yet a Chamber Member but want to be listed as a vendor for the RFP tool? Call 748-3411 to receive your packet of information.
